The EBF welcomes the Croatian Banking Association as a full member

The European Banking Federation (EBF) welcomed at its Board meeting of 25 October, the Croatian Banking Association as a new member organisation to join the Federation, following the accession of Croatia to the European Union in July 2013. The EBF now counts 32 national banking associations among its member organisations.

“We are pleased to see that with the adhesion of our Croatian colleagues, the EBF is again the most representative banking association in Europe and can speak on behalf of banks in all the Member States of the Union” said Guido Ravoet, EBF Chief Executive.
